

WELCOME TO CAPITAL LINK INC PARTNERS

INVEST IN THE DIGITAL ECONOMY

Welcome To Capital Link INC

The investment climate is changing, and investors need to create financial legacies that will stand the test of time. As the largest digital currency asset manager, Capital Link INC helps investors access the ever-evolving digital economy to build their future in the present.

We provide a dynamic investment solution to clients in need of a self-operating portfolio, as well as a smart fund with flexible time and investment amount. Our goal is to provide our investors with a reliable source of high income, while minimizing any possible risks and offering a high-quality service, allowing us to automate and simplify the relations between the investors and the trustees.

Investing in a Digital Future

At Capital Link INC, our mission is to expand access to the digital asset ecosystem while serving as trusted partners for our clients. We take this role seriously, and have spent the last seven years building products and services to meet our clients' needs – from individuals to institutions, and everyone in between. As the digital asset market grows and evolves, we analyze opportunities and build long-lasting solutions around the needs of our clients.

Our Values and Why They Matter To Us

We aim to ensure our values define who we are as individuals, and how we work together as a company.

These Core Values Also Define Our Culture

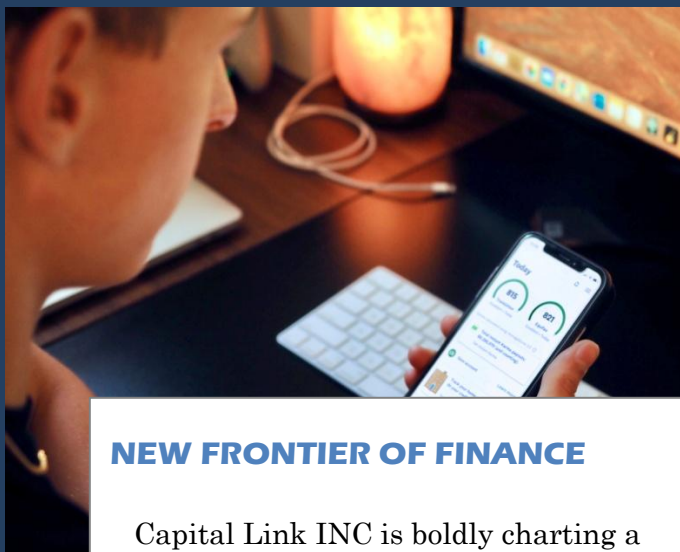

It also determines how we want our company to grow. We have the benefit of being able to define ourselves based on valuable experience, rather than by restrictive legacies and inherited structures.

We Hold Ourselves Accountable To These Values

We fully expect our clients to hold us to them as well. You can find out more in this section about the values that Capital Link INC brings to our client partnerships, our investment decisions and our philanthropic activities.
